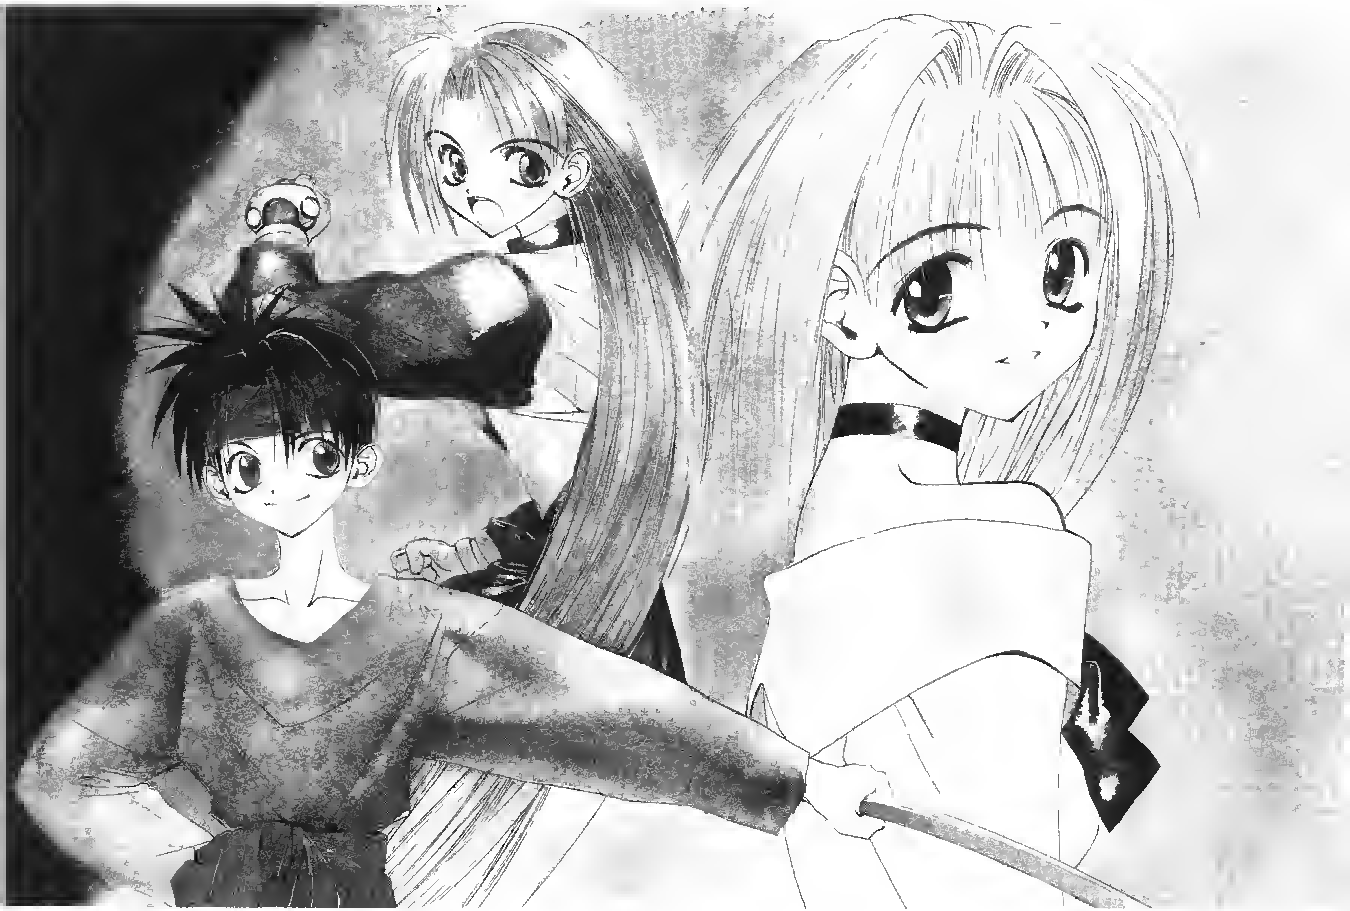
東京アンダーグラウンド❷

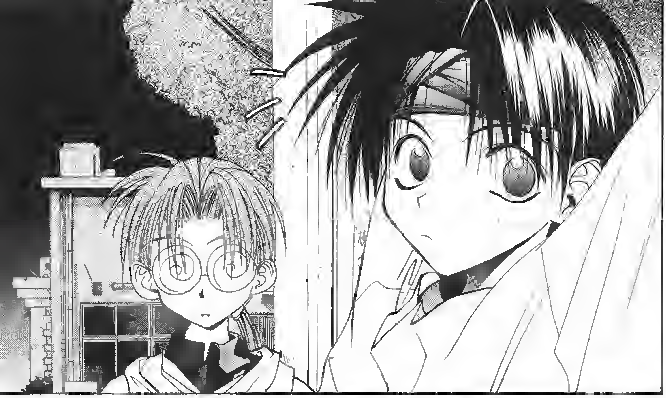
Beautiful moon...
It's rare to see people from the company.
Maiden of Life!
This time I saw it clearly.

Chapter 7 - The Two Water Users



……
That's weird
Feels like someone's calling out to me
Ruri-sama

Probably because it's my first time here.
So I got a little confused.
Are you all right?
It's nothing
Since I last saw Ruri this happy
It's been many years
.....



Just now... Got cold all of a sudden.

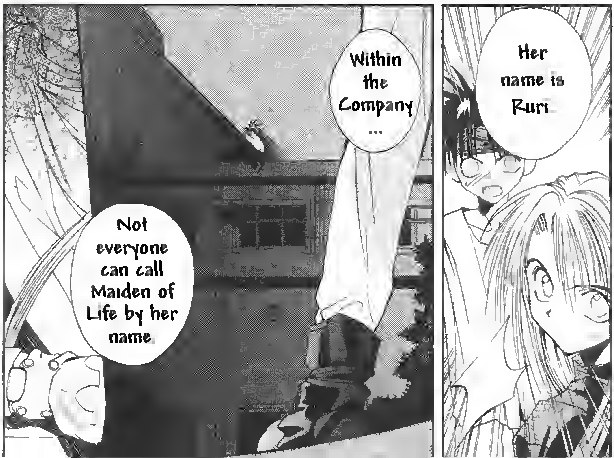
Sorry we took so long with sight-seeing.
Oh... That's OK!

Here,
Put it on! Or else you might catch a cold.

Hehe
.....
Then what about you...
Don't worry, I'll be fine...
Right?
Don't catch a cold.
.....
Thank you!

Maiden ...
Shouldn't be wearing ...
That kind of dirty stuff!
What...
RURI-SAMA, WATCH OUT!
Huh?
WHAAAAA!

RURI!?
SHINK
Water Cage!?
RU...
That move was...
!?



Not everyone can call Maiden of Life by her name.
Within the Company ...
Her name is Ruri.

Wind user...
Rumina
How did you know my name
NO, WHO THE HELL ARE YOU?
DON'T BE HOLDING RURI SO TIGHT!
No doubt
That's him...

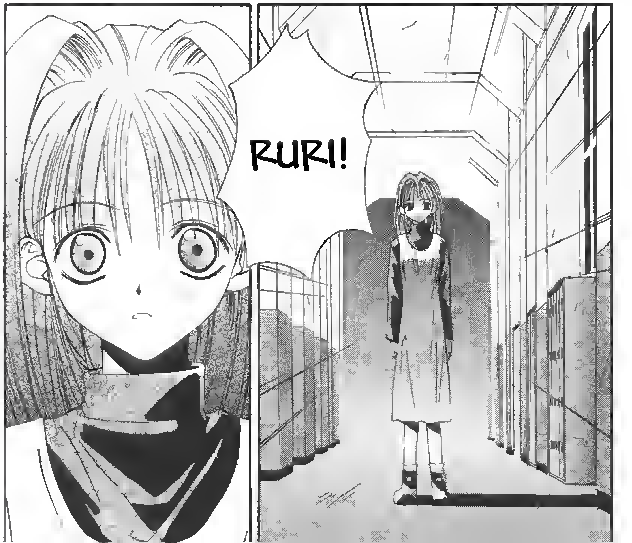
Rumma
I...
If you want me to let go of her,
then come over here
.....
Hehe...
I'll be waiting!
RU....

IF YOU HURT RURI,
I'LL KILL YOU!
HEY, GINNO-SUKE!
No pro-blem!
YOU'RE NOT HIS OPPO-NENT!
AH! BAKA ...

Your opponent is me.
WHAT
!
It's costly to betray the Company!
Chelsea Rorec!

Damn. Ruri, wait for me!
COME OUT!
HEYAA!
Huh?

SHOW YOUR-SELF!
Ah! Ru...



RURI!

Hurry!
Leave while pony-tailed is not here ...
Are you hurt? I was worried...
!?

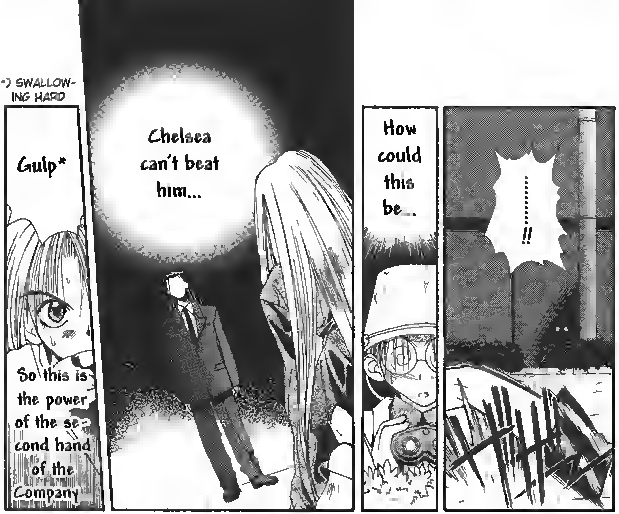
WHAA...
IT HURTS!
WHAT?
Haha... I can manipulate the shape of water,
didn't think you'd fall for it so easily

YOU PONY-TAILED HEAD!!
Don't call me that.
My name is Taylor Ashford
I'm really interested in your power... Hurry and show it to me!
WHAT ARE YOU SAYING,
IS RURI ALRIGHT?
Of course...
But the water rope that is used to tie her up, can only be untied by me
Your wind would be useless...
So you're pretty strong...

WELL THEN, I'LL MAKE YOU BEG FOR MERCY!
Heh...
You've got what it takes?

HEYAAAA!
What's happening? Can't even touch me?
JUMP
!
Flooding Water Stream!
HAT

He can create that much water...
Woah!!
Water Drop!!



*) SWALLOWING HARD
Gulp*
So this is the power of the second hand of the Company
Chelsea can't beat him...
How could this be...
!!

Possessing an ability above regular elemental controllers... Master of all supers...
Vice president of the Company, Pryon
And...
The highest ranking supei in the Company,
Water controller, Taylor Ashford

I'm protecting...
I didn't protect her because the Company asked me to.
Don't get it wrong.
Didn't think the maiden's security was like this.
Kasshin really picked the wrong one.
DIE!
Is that your gravitation wave?
Z!!
NOT THE MAIDEN, BUT RATHER RURI-SAMA HERSELF!

What?
THAT WATER WALL BLOCKED THE GRAVITATION WAVE?!
Hmm... Heard you hurt Seki's arm, so I thought you were really something.
You are a disappointment
He's strong!

DAMN!
Haa...
WHERE DID HE GO?
OVER THERE!

Damn it!
Although I can control the move I practiced,
I'm still not strong enough...
Damn it, that ponytailed head keeps using doubles.
Stop hiding, come and face me!
Heh...
The character of wind
is taking advantage of air's flow as a weapon to attack...

PONY-TAILED HEAD, YOU NEED A BEATING!
Though it's interesting.
The controller is an idiot.
REALLY PISSES ME OFF!
WATCH OUT NOW!

PONY-TAILED HEAD, WATCH THIS!
YOU'VE NO WHERE TO RUN NOW!
Why do I feel power-less?
I wonder...
What...
THIS IS MY ABILITY...
!?

This is what happens when you stress your power.
キィィ
because everyone has a different power level.
Sorry, I'll have to take the maiden away now.
Ruri...

I'M COMING RIGHT NOW TO ...
DAMN IT! WAIT FOR ME!

UWA AA!!
.....
You should worry ...
more about yourself than others.
Rumina

RUMINA!!
.....
AH...
and I thought you would bring some fun.
Ha...
So disappointing..
How unfortunate at this young age...

If you girls didn't escape to the surface,
he would have been a typical high school student living a peaceful life,
don't you think?
Priestess of Life.
Ha...
Don't be upset about it!
A meeting is always followed by a parting.
Natu-rally...

Ha...
Ha...
Cry in front of me...
Don't make a girl...

ARGH!
RUMINA!
It's true...
HOW ...
HOW DARE YOU HIT ME...

I will protect you!
So, please don't cry.
that in the beginning I was really frustrated,
but it was the moment when you held my hand that I decided...

Ahh...
People like you...
Urg!
I can't seem to grasp why a stranger from the surface would attempt to protect the Priestess...
!

AHH...
WILL NEVER UNDER-STAND!
There's no use in acting strong!
It must be hard standing after losing so much blood
PONY-TAILED HEAD, GIVE UP ALREADY!
ARGH ..
DON'T START, SINCE THE SAME APPLIES TO YOU!!
WHOOSH

Ah...
Haha ...
One more hit should do.
ARGH..
I'm starting to lose my consciousness...
Oh, no...
I won't have another chance...
If I give up now,
But..

But if you fall there, you'll never be able to save the Priestess.
DA... DAMN!!
That furious face suits you.
Hahaha ...
Of seeing Ruri again ...
PUAH!!

STOP!!

That's enough, stop
I beg you...
RURI!?
I... I'LL GO BACK WITH YOU, IF YOU PROMISE TO STOP.
Sorry, Rumina...
I DON'T WANT TO EVER SEE YOU HURTING RUMINA!

I've only been up here for a short time, but I learned many things.
the sun's warmth and the wind's breeze can be so soothing to one.
And tonight, I can see the beautiful moon.
What makes me happiest is...
But...
Therefore, I don't hope to see you get further injured.
.....
having met people who are so kind and understanding like you and Ginnosuke.

No, Priestess!
RUMINA!!
But Priestess doesn't know that ...
Anyone who scratches me must DIE!
WAAAH!!

WAAAHH!!
I will slowly suffocate him with high-pressured water and it's death!!!
Haha ...
Never!
I beg you...
I...
I don't want to...
NO... QUICKLY STOP!
IF THIS CONTIN-UES ON, RUMINA WILL...

SEE RUMINA DIE AGAIN!!

DON'T MAKE A GIRL CRY IN FRONT OF ME!
Wha...
30.
You...
Wind?
How many times do I have to repeat it
I never imagined that you would still have energy.
but your body has already reached it's limit...

Hurricane!!
Wind...
No... This is...
PONY-TAILED HEAD, LEAVE!!

ドドドドド
ゴゴゴゴゴゴゴゴ

Hmph! Did Taylor screw up?
Ru.. Ruri-sama?
... That explosion was..
Argh!
Wait ...
Chelsea Rorec, consider your life spared.
This time, I'll let you go.

Ruri-sama!
Ugh...
.....
Success-ful?
Hehe...
ゴゴ

ゴゴゴゴ!!
!
Rumina!
RUMI-NA!
AAAH!!

You are...
I'm Pyron, an assassin from the COMPANY you guys were talking about
KA

Taylor, looks like you've been slacking off.
The explosion attracted a lot of attention from the surface people.
You should know that the most important part of this mission is to bring the Priestess of Life back
Pfi ..
DAMN YOU!
Pfi ..
WA.... WAIT A MOMENT!! I STILL HAVEN'T...
DON'T!!
!

I'm sure we'll meet again in the future.
So I wish you'd stop...
Woosh

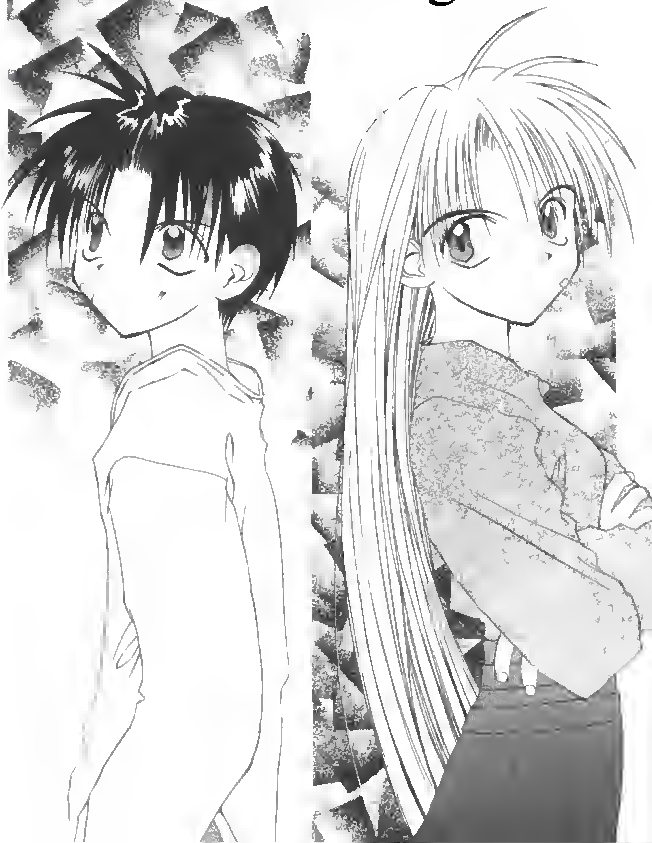
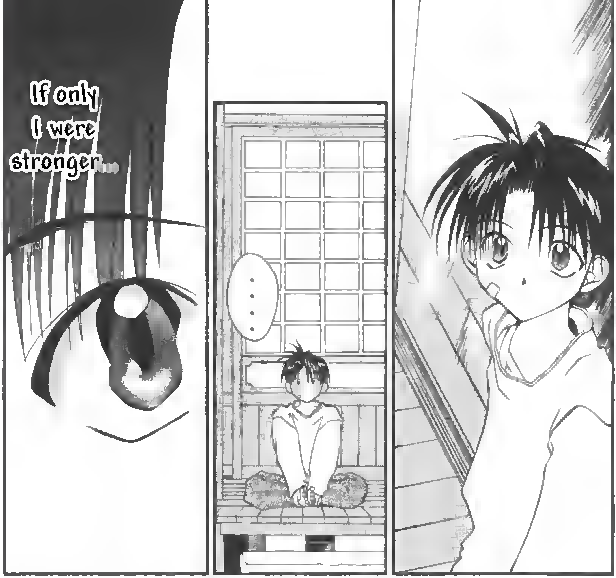
Chapter 9

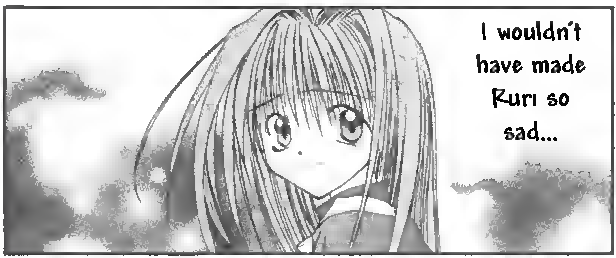
The Unknown Underground



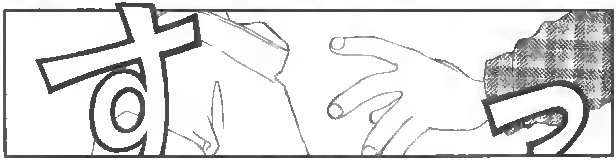
Hey, hey!
陸光寺
Kumina--
You're home, right? Come out!
. . . . . .



If only I were stronger...
. . . .

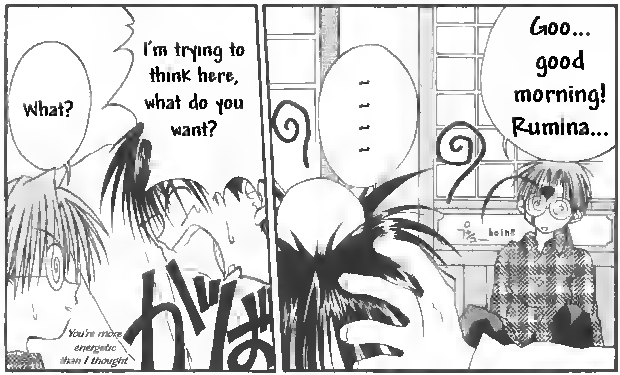


I wouldn't have made Ruri so sad...



すっ

Darn... why am I so useless?



Goo... good morning! Rumina...
- - - -
I'm trying to think here, what do you want?
What?
You're more energetic than I thought

It's too dangerous if we go there to rescue Ruri knowing nothing about the place.
Why should you even bother to ask?
Of course I'm here to ask Chelsea about the underground world!
Besides, it won't satisfy the curiosity of I, a future scientist.
Just as I thought.

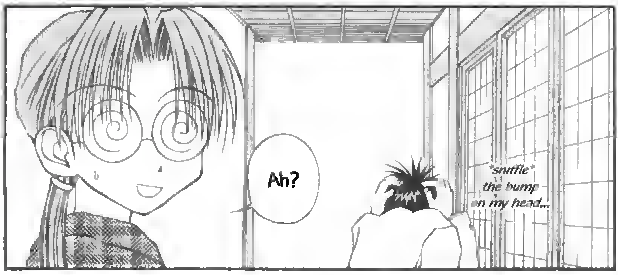
Chelsea
& Ruri's
Room
No Intrusion!

Who's the intruder?
...

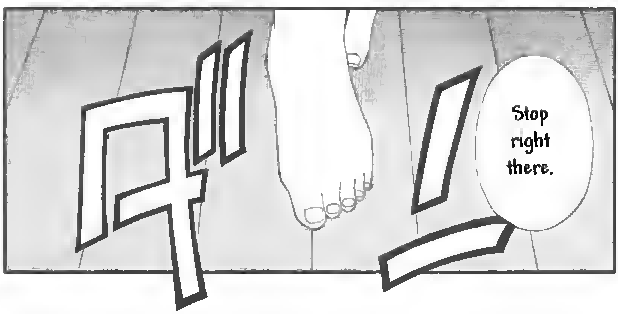
Chelsea
& Ruri's
Room
No Intrusion!

Wow...
I'm so grateful to you for providing us with such a wonderful room
I can see the sun everyday in here!

Hey!
bang
Aaahhh...

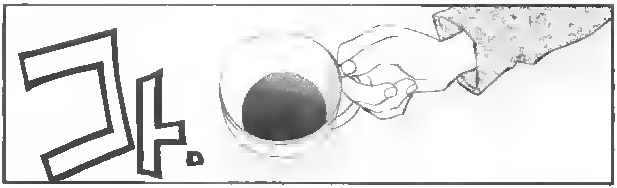


Ah?
"sniffle" the bump on my head...

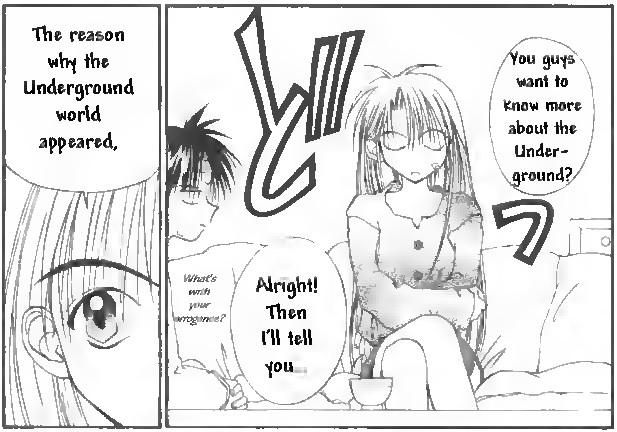


Stop right there.

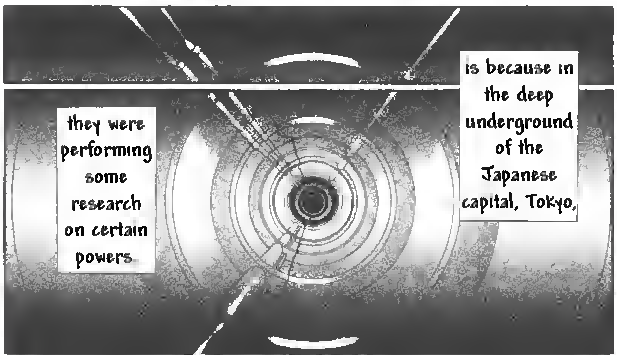
Why are you wandering around in front of others' rooms,
so sneakily?
Must be something suspicious...
What perfect timing, we have some business to discuss with you
Excuse me.. I'm the one injured here!
And still you hit my head...



コト。



The reason why the Underground world appeared,
You guys want to know more about the Underground?
What's with your arrogance?
Alright! Then I'll tell you...



they were performing some research on certain powers...
is because in the deep underground of the Japanese capital, Tokyo,

But the scientists didn't stop there, they attempted the creation atrocious monsters..
One such power is the control element In other words, the ability to control natural occurances
Those who kidnapped Ruri-sama and I are capable of those powers.

A dragon ..
Wha?
Dragon?
Atrocious monsters?

Those scientist who feared the dragon then used the underground facilities to segregate it from the earth's surface.
And that left those living underground to remain there.
That of which means monsters that possess the figure of a dragon, or a humongous monster.
But those scientists were unable to control it.
So they ended up putting her into a deep slumber in the innermost part of the Underground world.

And information on the company that kidnapped Runi!
Blondie, I wanna know more about that monster!
バン
A monster in deep slumber, huh...
What a waste
.....
ｶﾘｶﾘ
.....
Someone wants to make use of the power of the sleeping monster,
don't you under-stand?
ｶﾛ

they plan to revive the "dragon."
To avenge the humans on Earth's surface that deserted them,
Don't you remember?
Power of Life?
.....
Then...
Why should they take Ruri?
Power of Life..

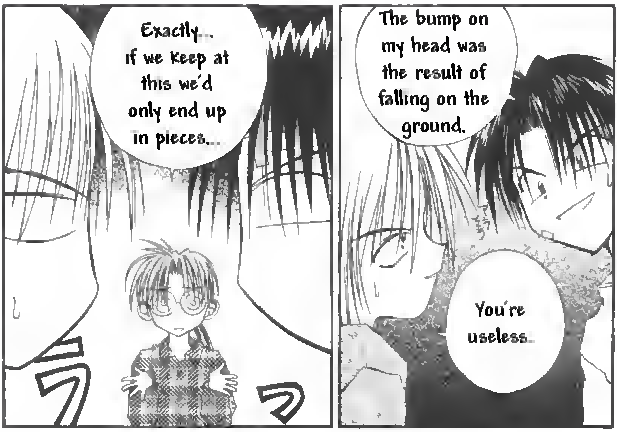
You were killed by a Fire user!
Not long ago...
once dead?
It was...
That is the power of the Priestess of Life.
You came back to life thanks to Ruri-sama's power of Life.
Perhaps you still won't believe me!

Then at that time...
Among all the power users, no, in this whole, wide world,
That means...
The voice I heard in my heart was Ruri's.
Ruri-sama is the only one possessing the power of Life.

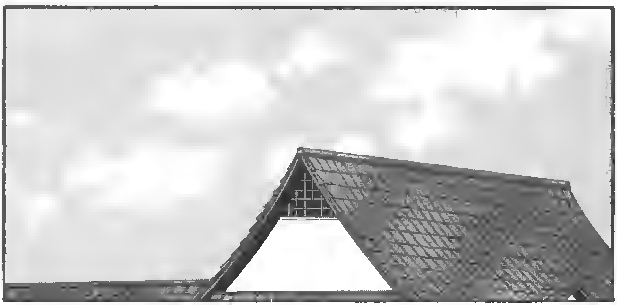
They want to use the power of the Priestess of Life,
to awaken the "dragon."
to aid them in their plans to harm humans on the surface
They want our innocent Ruri-sama,

For this reason they took Run...
Despicable
Unforgivable!
Wait, where are you going?
Couldn't it be ..

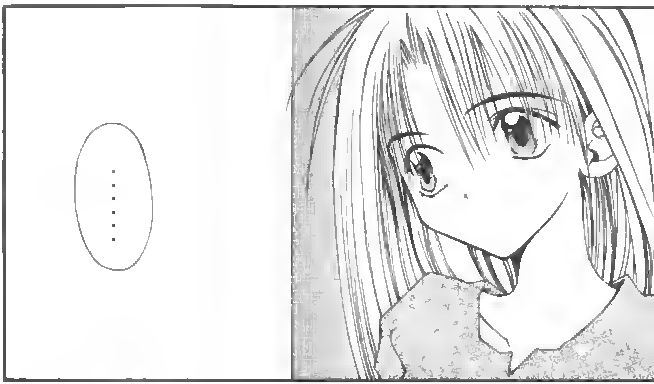
Duh!
Of course to the Underground world.
コーヒー
Would you like another cup of coffee?
What help do you think you could be with your body in that condition?
Ouch!!



Exactly... if we keep at this we'd only end up in pieces...
The bump on my head was the result of falling on the ground.
You're useless.



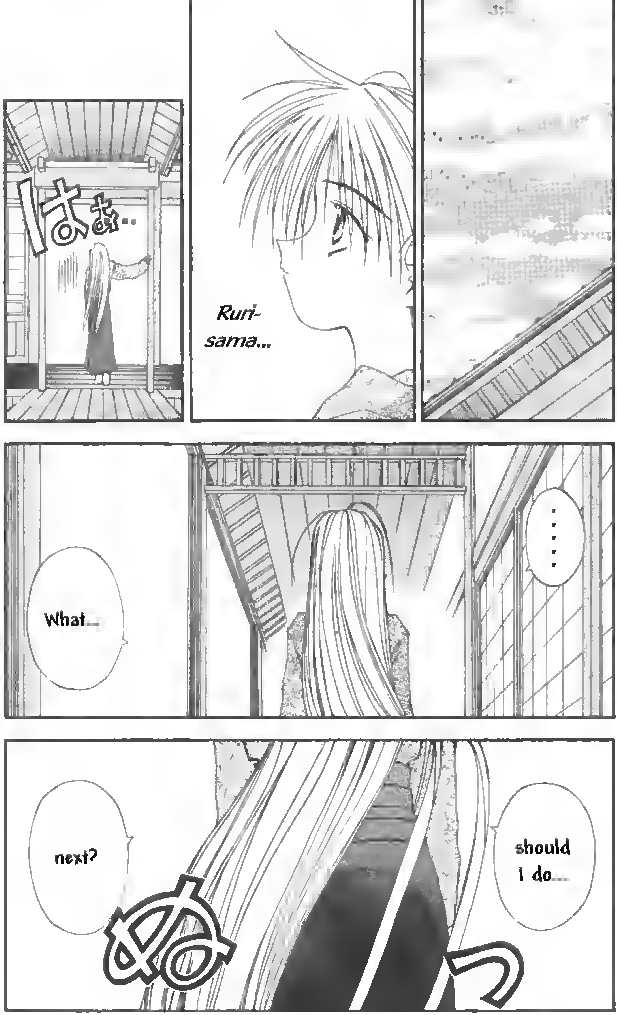
I don't want to agree but four-eyes is right...
I can't defend myself,
.....
!
ㅏ/



.....

We made such an effort to come up to the surface,
but I let my Run-sama ..

down...



はぁ…
Ruri-sama...
What...

next?
should I do...

ゴオオオ
Grabbed my butt and you dare say that?

My bastardly grandpa...
How could you have left the shrine for a month,
disregarding how I would live alone!
Eh?
Grandpa? Grandson?
swoosh
Hoho... looks like you're living fairly well!

Except for the addition of a blonde beauty, not much seems to have changed!

Hmph...
I knew he was a perverted old man!
That's Ranma's grandpa...

Chapter # 10

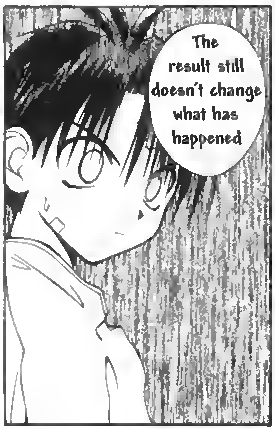
-Grandfather's Training Session-

ho ho ho ho !
I didn't come home for half a month...
and you didn't even say hi or welcome me in any way. how sad
Oh, is that so...
All of a sudden, you leave a note saying you're going to the hot springs and run off
And not even apologizing
Dd Thats because I dont have many days left
ポコポ

What happened? I leave for a while, and you get into a fight?
eh?
Damn... This smelly old man had to pick this time to come back...
Tha...that's because... In a new school environment things like this are hard to prevent!
That person is...
Didn't you say you were gonna pick a lifestyle other than fighting once you were in high school?
how strange...

My high school classmate!
So painful...
Never thought an immature person like you would go find such a beauty while I was gone...
Then...
Whats the deal with the big hole in front of the temple?
busted...

Underground,
Power...
Never thought something like this would happen when I ran off to the hot springs...
Who told you to run off?
But after seeing that hole, I have to believe it...
ZUUD
After so many years, there are still things I haven't experienced
But...
Hmph! Telling Grampa is no use.



The result still doesn't change what has happened

Letting the underground people beat the crap out of you is bad enough,
but letting the person you love get kidnapped in front of you...
You're being too harsh!
so pathetic

I have a bad feeling about this...
Nevertheless, you'll need to train yourself

Kobujitsu?
What?
That's right! You practice this sword style, that's how you learned to fight
Yeah...
Asagiryu Kobujitsu has been passed down since the Edo era. this temple is known for its sword style and this old sword style is one of many...
Yes,
You for one should know
When I was younger, Grampa made teaching me sword techniques a hobby
Waist should be lower!

Are you kidding? How can I play with you...
That's good.
If you were to practice better back then, then you wouldn't have made a girl so sad...
.....
Can I join in?
what?
I haven't introduced myself to you yet!

It's over...
But let me see your real strengths first!
Ke... Cha...
Is that right? I'm not gonna be responsible for anything!

This is too great!
Of course, if you people hold anything back then I won't see your real strengths.
All three of us together, can attack you?
Why me too...

I was never going to hold anything back in the first place!
To tell you the truth...

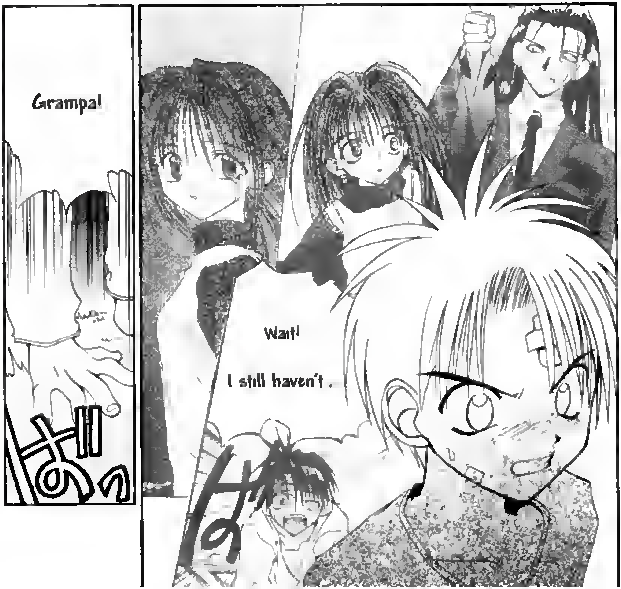
.....!!
It was dodged?
That's beyond my comprehension...
!
He ho... scared me!
Never thought that your strength wasn't half bad.
Why are you two still standing there?
That old pervert must have done something to her
Chelsea sure is persistent...
But what's the meaning of just digging a hole!

But,
I
Let me show you, that all your trainning is bullsh*t!
Ha
since I was a kid, I was tortured by grampa
After digging a hole are you making a sand wave?
Stupid that's not just a regular attack!

Me too.
!!
I can clearly see all of your movements!
My grandson is so pathetic...
Ouch
Woahe!
.....
KA SA...

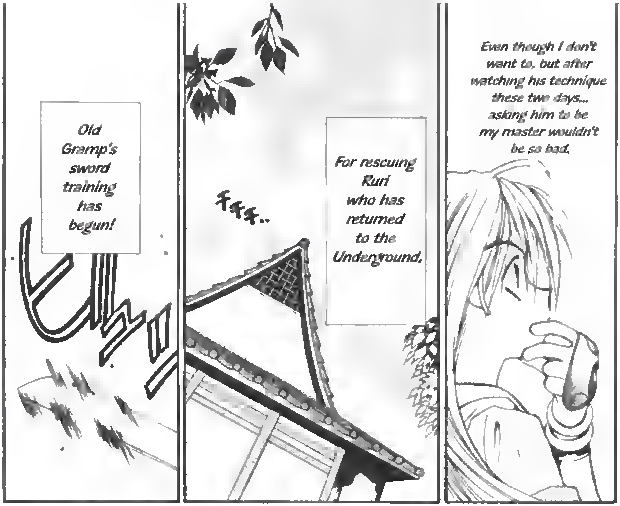
PO DONK
All three of you and can't even touch my fingers
Sniff
Such a pathetic sight...
Whew...
...
how embarrassing
but...
Whew...
Is your grampa a monster?
Could be...
Rumina
!!!

If you thought about it, you would know...
You wasted too much of your energy.
also not enough concentration
You telegraph your action too much, too many actions waste a lot of energy.



Grampa!
Wait!
I still haven't.

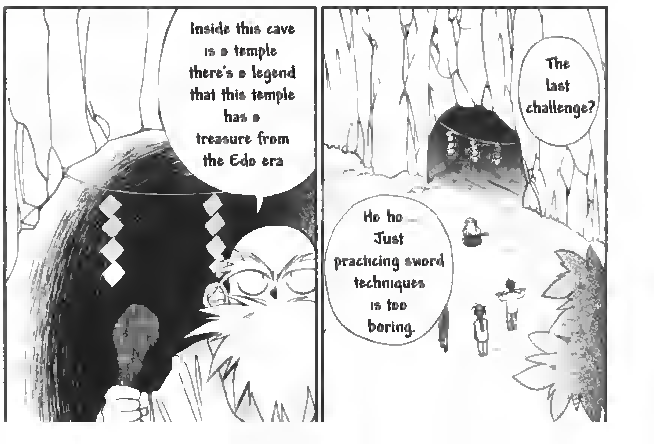
I need..
Please teach me
I need to save Ruri.
Teach me Kobujitsu's sword technique!
I need to become extremely powerful!
That's for sure
Hmph...



Old Gramp's sword training has begun!
For rescuing Ruri who has returned to the Underground.
Even though I don't want to, but after watching his technique these two days... asking him to be my master wouldn't be so bad.

Hold the sword tighter!
Why do I have to...
You two spar each other one thousand times.
For the 3 people who just couldn't stand for Old Gramp's training moments ago...
Your stance is not perfect enough!
What?

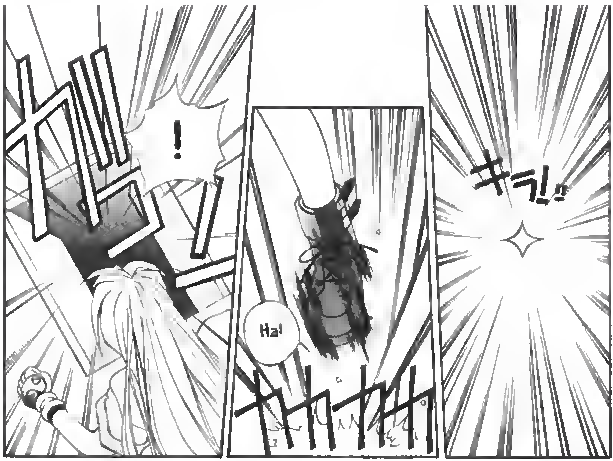
7 days later-
チュン
チュン
Through training day and night, they have quickly gotten used to it.
はあ
はあ
This is the last challenge.



Inside this cave is a temple there's a legend that this temple has a treasure from the Edo era
The last challenge?
Ha ha... Just practicing sword techniques is too boring.

Go in and you'll find out!
ミヤリ
Wait a minute, what does this have to do with the training?
If you can retrieve the treasure and safely return, then you have finished the special training

Sounds alright...
but I have a bad feeling about this...
Never thought in the end we'd get played around with by him again...
That's so simple!
Even though we don't know what kind of treasure it is... if we get it back then we'll be fine.

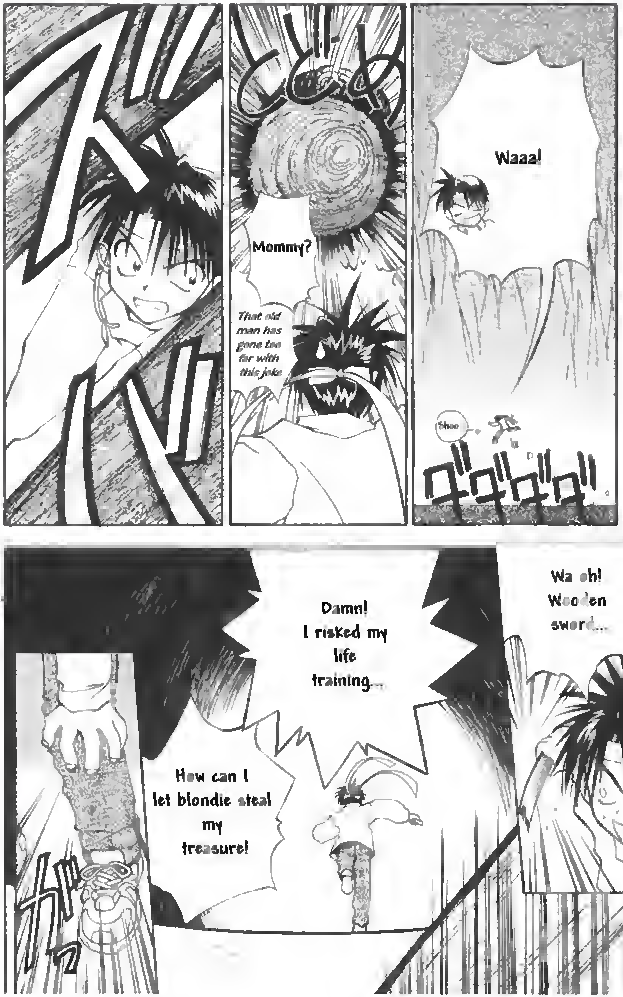


!
Ha!
キラ!!

I knew it.

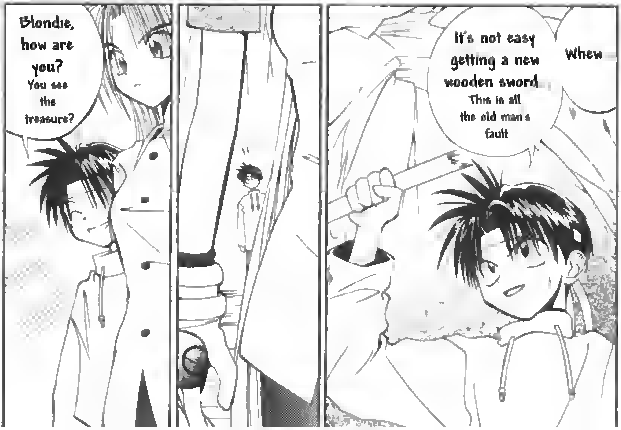
That's rice cake?
When did Grampa set these traps?
Do... just a split second and blondie is gone!
ひょん
Ka!

Eh?
ヒョー
ビィィィィィ!
Oh... Dangerous!
A pole came out of the wall...
さ
Ponk!



Waaa!
Mommy?
That old man has gone too far with this joke
Shoo
Damn! I risked my life training...
How can I let blondie steal my treasure!
Wa oh! Wooden sword...

Finally here...



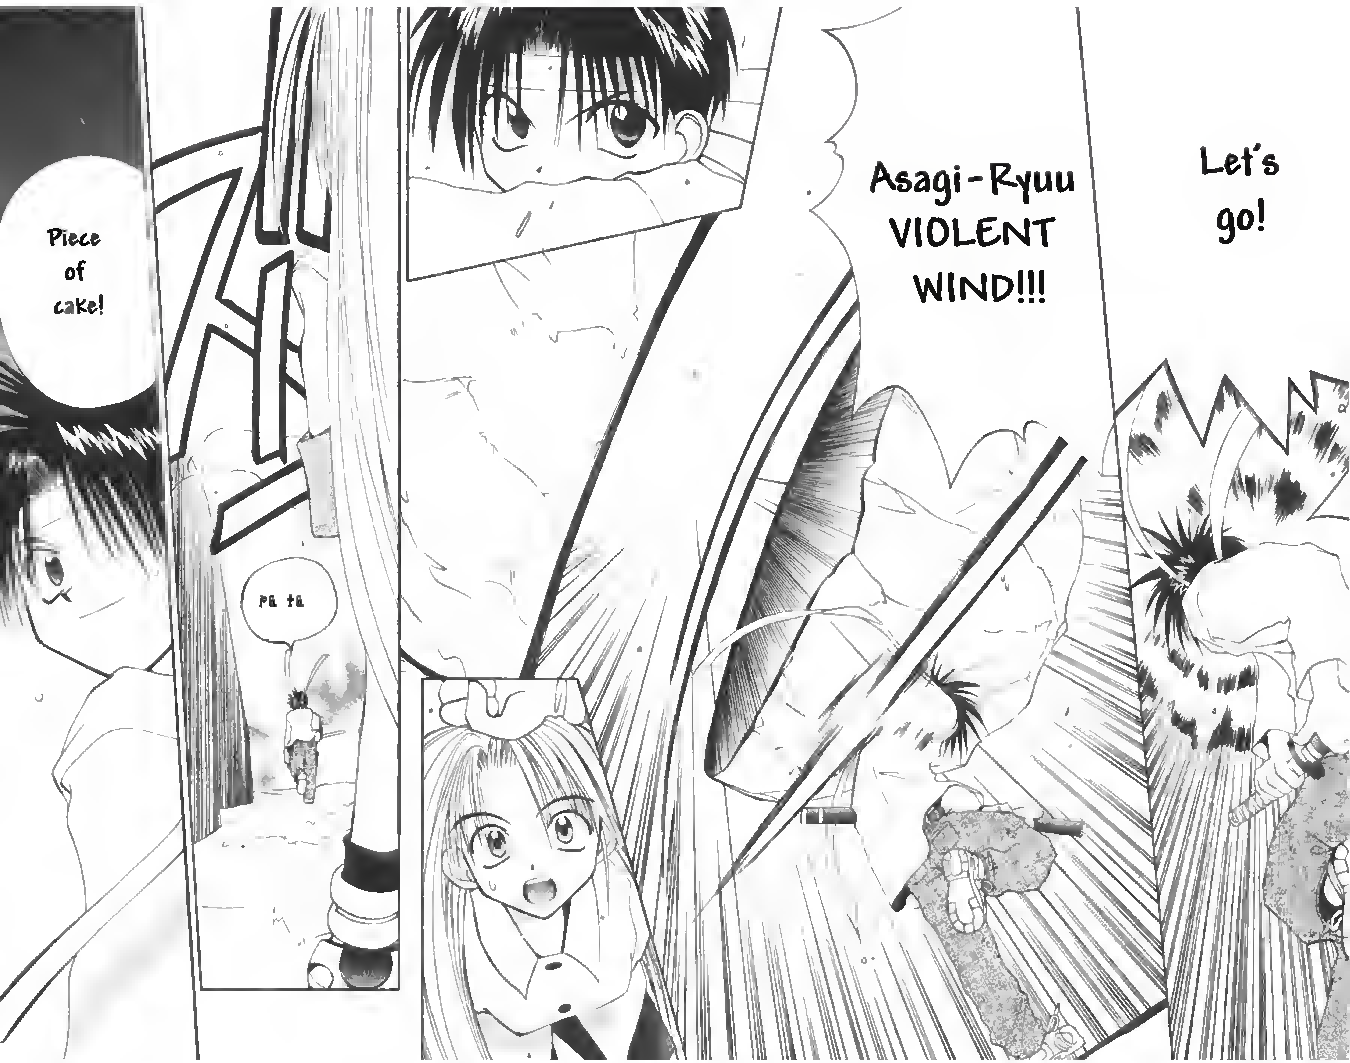
Blondie, how are you?
You see the treasure?
It's not easy getting a new wooden sword.
This is all the old man's fault
Whew

Wow...
So cool! Is it a real sword?
Nothing is going on, you worry too much!
Wait a minute, what if it's a trap again?
ゴゴゴ
!

Eh?
Earthquake...
Look, I was right!
How do I know that this isn't also one of Grampa's traps?
Pak kek

My gravity attack should be able to handle it...
EH?

What?
Even though this is the first time for a real sword..
Never thought I would get to try my new intimate technique this soon



Piece of cake!
Pa ta
Asagi-Ryuu VIOLENT WIND!!!
Let's go!

What's that, Blondie!?
What about you!?
You really didn't need to do anything. I would've managed somehow.
Jeez...
I don't remember setting up those kind of traps...
Was that a rock slide I just heard coming from the inside?
And what is with all the smoke...

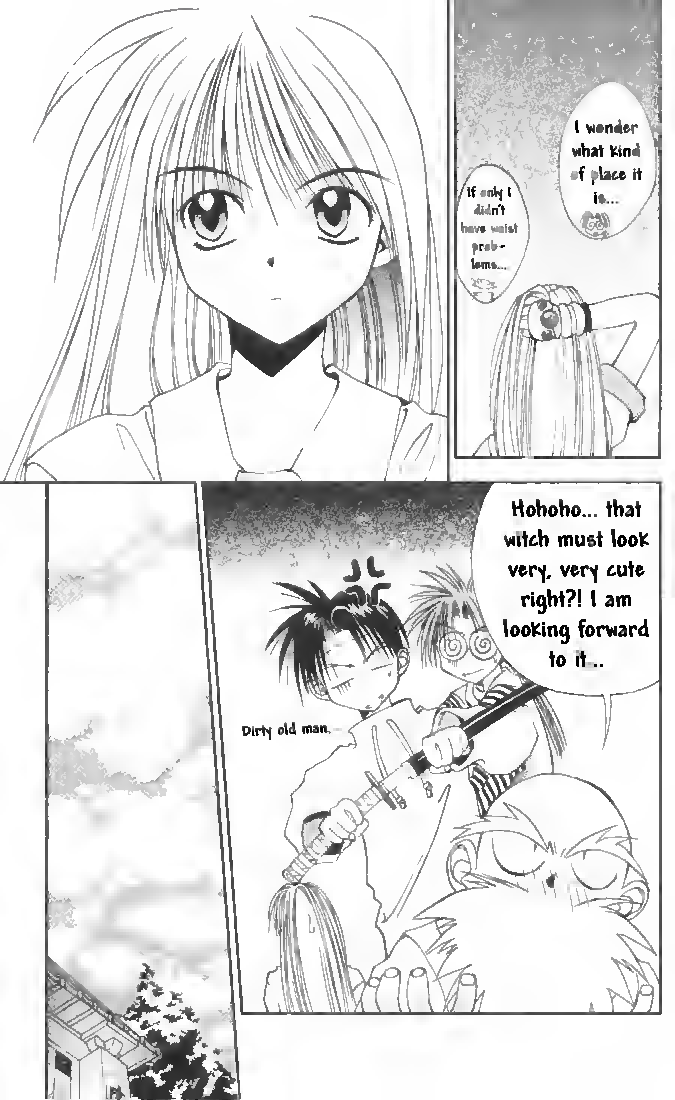
Chapter 11: The Journey

I have obtained it!
See,
I didn't think you would make it.
This is indeed the Guardian treasure, Sword of the Wind.

Sword of the Wind?
This is our Ching Chong family's guardian, and also the precious sword that's passed on through generations
This is certainly much better than that wooden sword.
Using your "Tornado" techniques with it, it will sure be of some use.
Heh
Thanks!
Sorry. There is nothing to give to this cute Chelsea
さわさわ

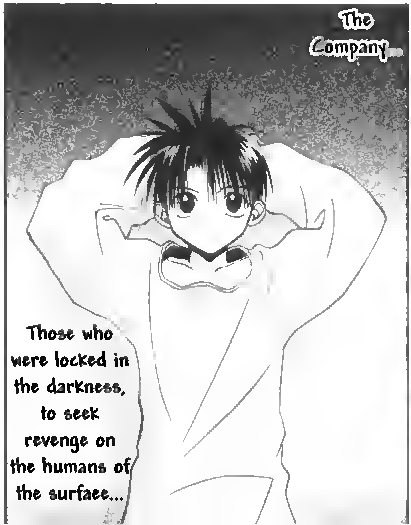
By the way...
Are you going to depart immediately?
The special training certainly have paid off...
パパ!
ダッシュ
That's right,
tomorrow...
To save Ruri and destroy the Company!



I wonder what kind of place it is...
If only I didn't have waist problems...
Hohoho... that witch must look very, very cute right?! I am looking forward to it...
Dirty old man.

It's finally time...
Maybe you won't believe me, but I have escaped from the Underground!
It's a world with no sun, no humans and no wind.!

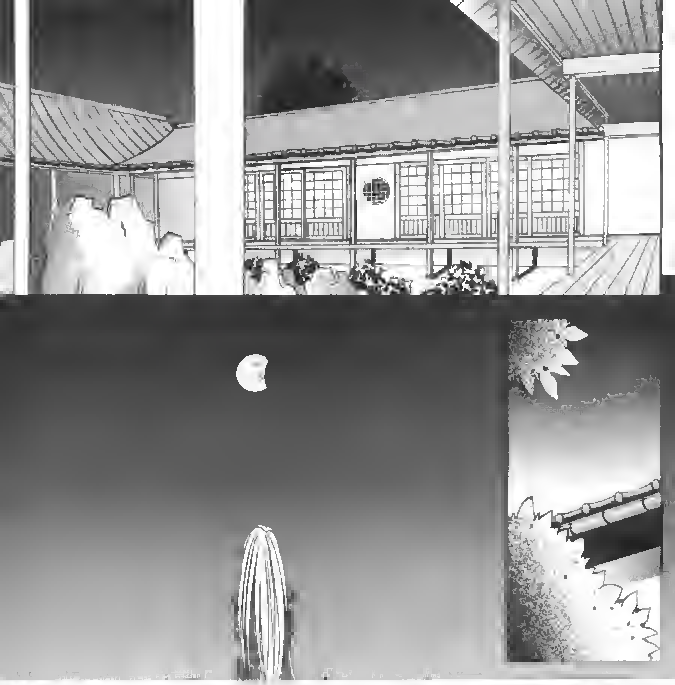
The two people who escaped from the Underground..

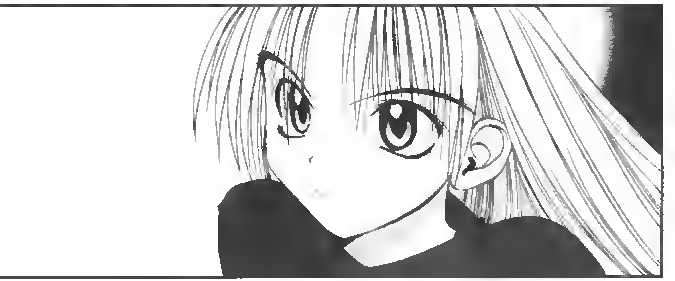


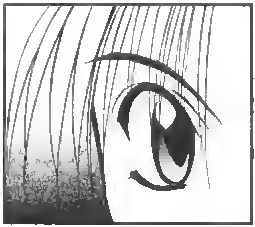
The Company...
Those who were locked in the darkness, to seek revenge on the humans of the surface...

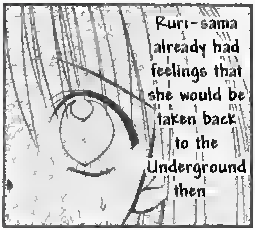
That was also a night with beautiful moonlight...
Made me feel that it would lead me to a rose-colored life with Ruri

hh..
...A night with a graceful moon-light.
It's from the middle garden..?
Sound ..?







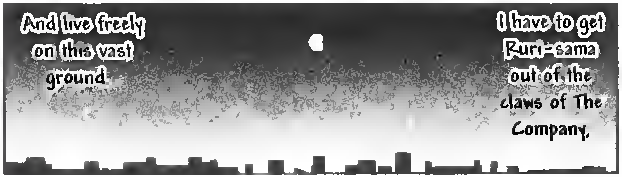


Ruri-sama already had feelings that she would be taken back to the Underground then

Now...
When Ruri-sama begged me to take her to school...
I want to see many more things on this world!!

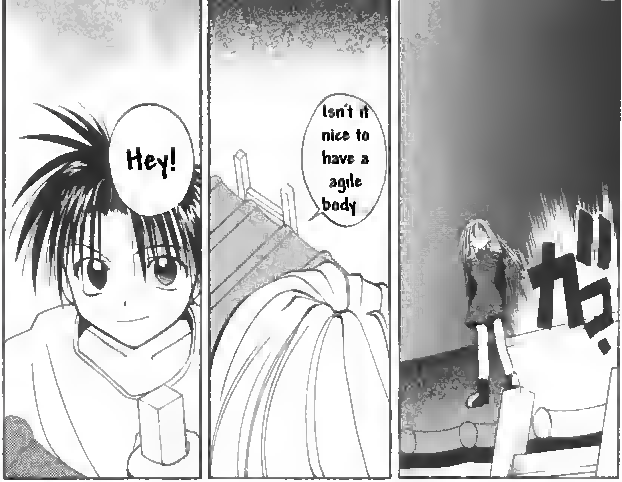
Yet I couldn't protect her...
I knew how Ruri-Sama was feeling...

It looks like running away won't be of any use...

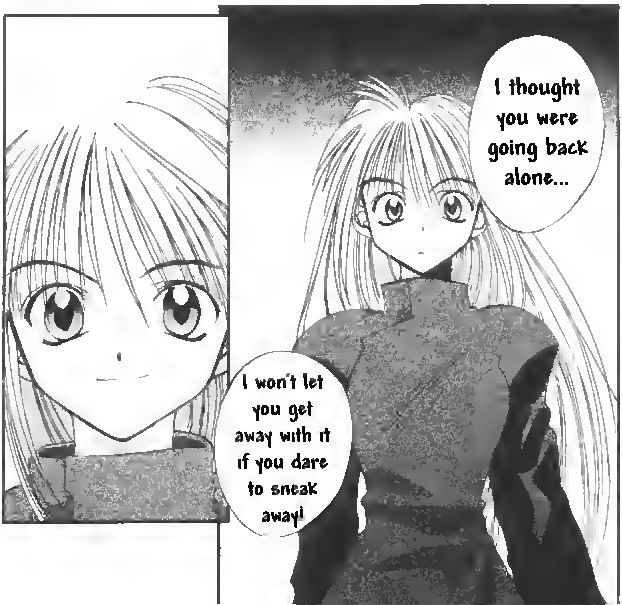


And live freely on this vast ground
I have to get Ruri-sama out of the claws of The Company.

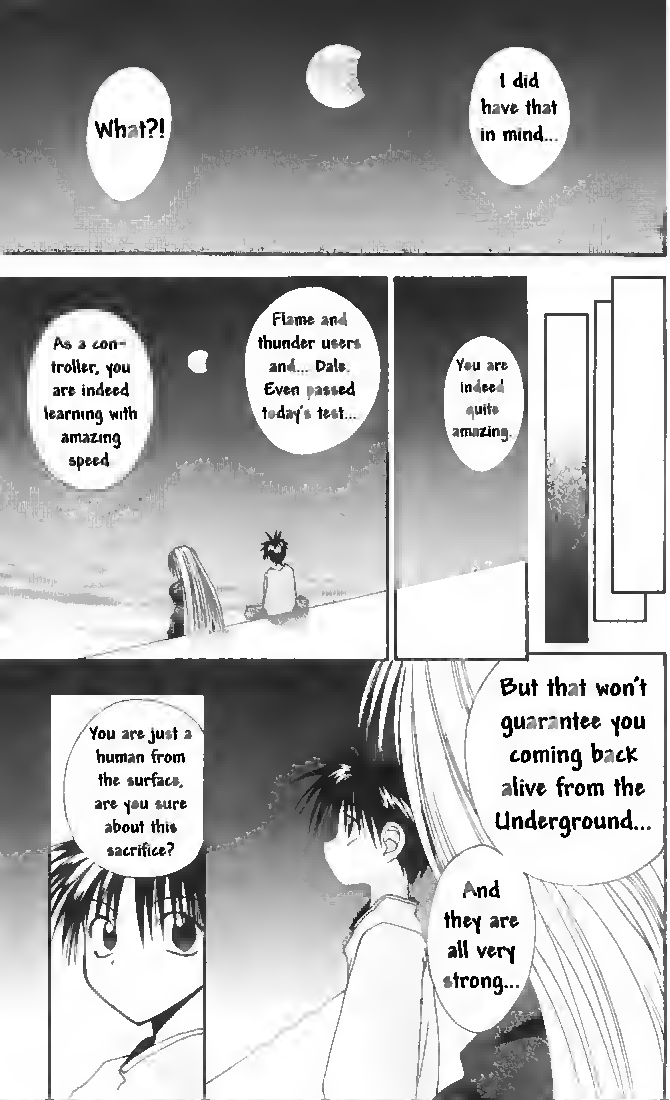
Fulfill her wish!!
I will personally...



Hey!
Isn't it nice to have a agile body
カラ



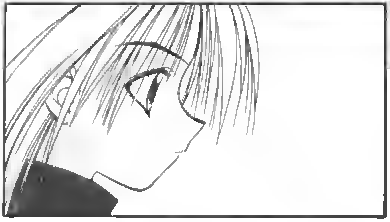
I thought you were going back alone...
I won't let you get away with it if you dare to sneak away!

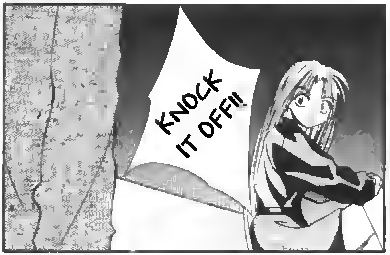


What?!
I did have that in mind...
As a controller, you are indeed learning with amazing speed.
Flame and thunder users and... Dale. Even passed today's test...
You are indeed quite amazing.
You are just a human from the surface, are you sure about this sacrifice?
But that won't guarantee you coming back alive from the Underground...
And they are all very strong...

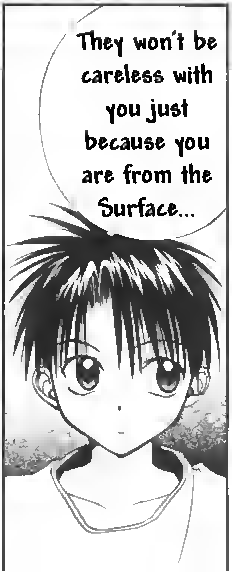
But since I know you two, I can't just stand aside and watch...
I already knew that...
You have no idea how dangerous the Company is...
.....
Furthermore, rescuing a person has nothing to do with being a human from above or below the ground...

The Leader of the Intelligence Clan.. White Dragon, is someone not even I can handle...





KNOCK IT OFF!!



They won't be careless with you just because you are from the Surface...

And I am voluntarily going to the Underground!
That is exactly why we have to combine our powers!
If I need you to worry about me, then I would really be hopless...
むっ
But being this depressed is just not like you...
Although I have no idea how scary the Company is...

Stop calling me Blondie...
But... I haven't talked to you like this...
.....
.....
I guess so..!
You never called my name either!

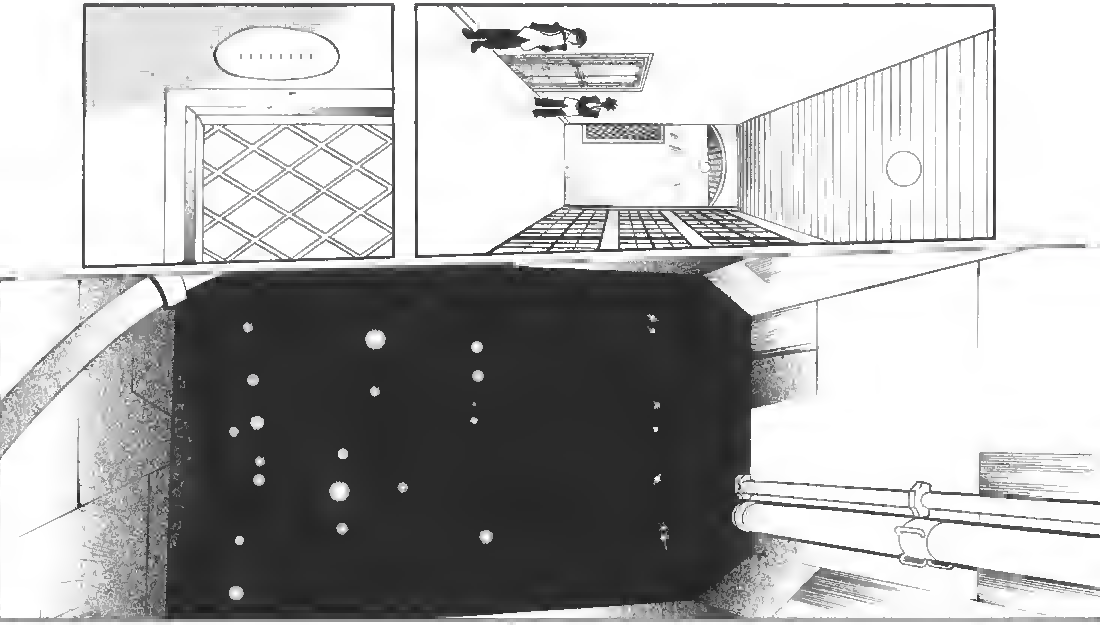
ｷｷ..

Oh.. you are departing this early?
Sorry, please take care of the house.
That's right!

Haven't seen you dressed like this for a while.
.....
mmm-mmhehe
Oh! Chelsea aren't you taking that glasses guy with you?

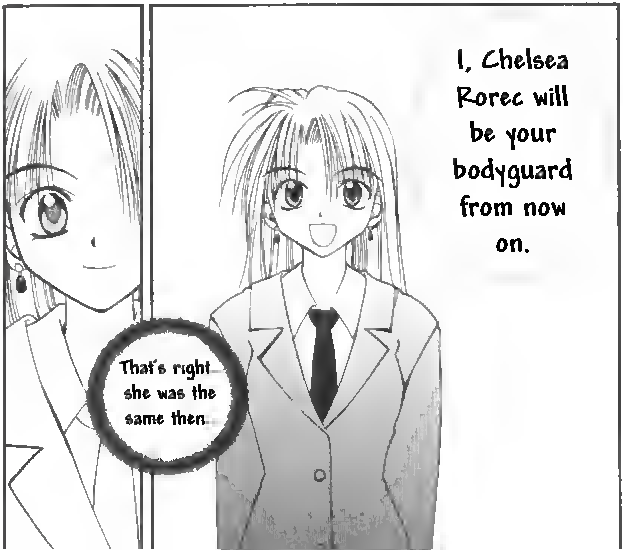
We will be facing many dangers along the way...
So I didn't tell him...
Ya...!
I knew it!!
I knew you had that planned!
How can you leave me behind when you're facing the big discovery of this century?!

When did he...
I guess...
We just have to take him with us..

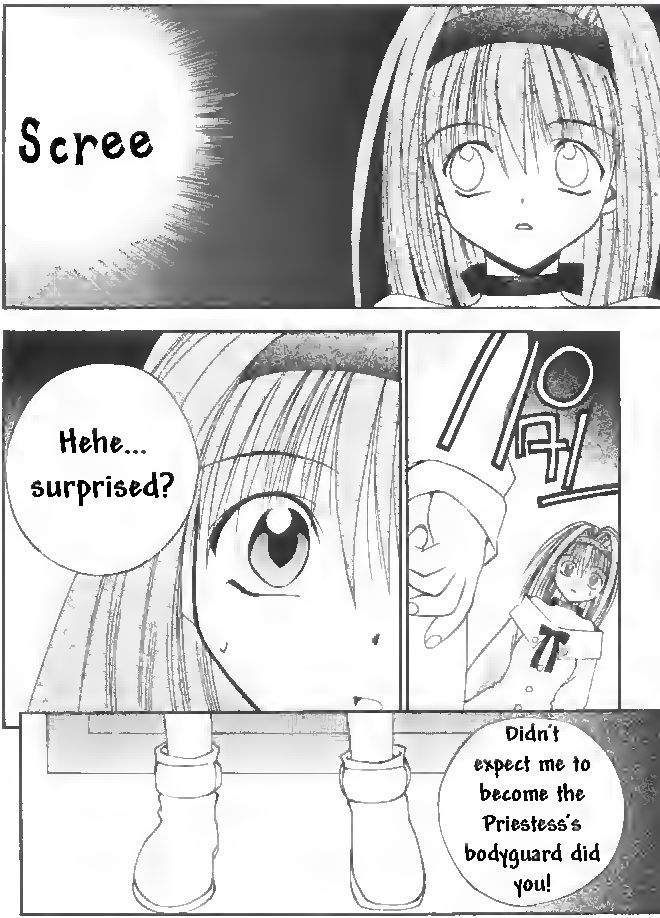


Rumina...

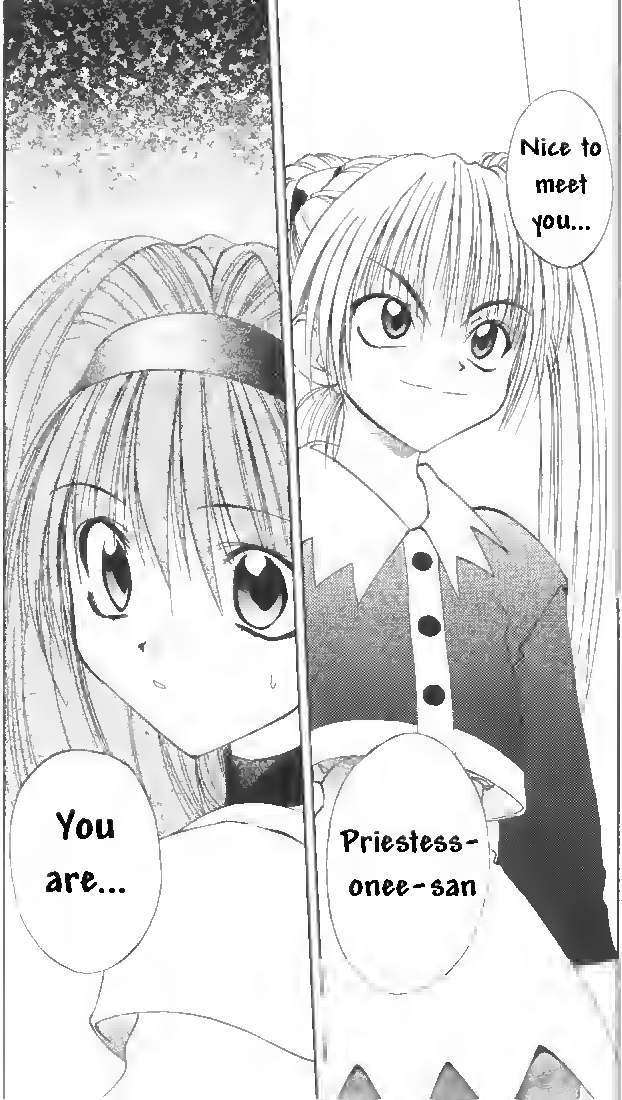
Excuse me!
Chelsea
The new bodyguard will arrive shortly, feel free to order the guard outside if you need anything.



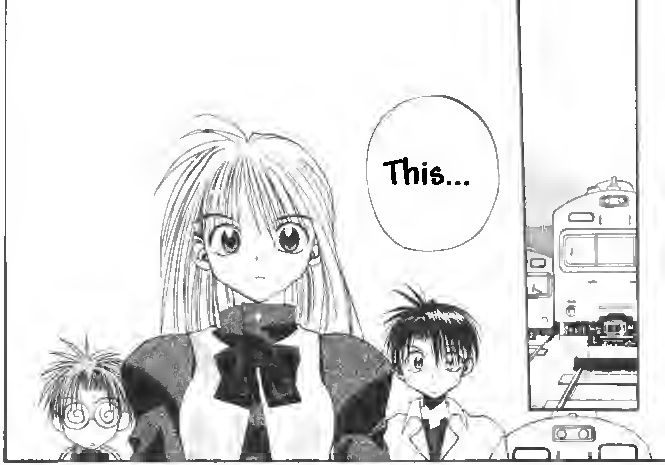
That's right she was the same then.
I, Chelsea Rorec will be your bodyguard from now on.



Scree
Hehe... surprised?
Didn't expect me to become the Priestess's bodyguard did you!

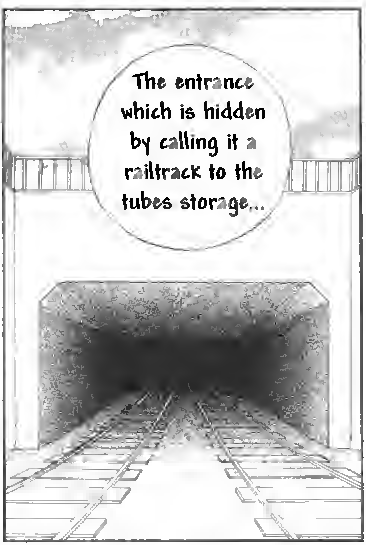


Nice to meet you...
You are...
Priestess-onee-san



This...

mmm...



The entrance which is hidden by calling it a railtrack to the tubes storage...

Didn't think I would have to walk past here again...

The long, abandoned railtrack which stretches into the darkness
Through the seemingly never ending rout.... the end is in the deep underground of Tokyo, the capital city.

That Forgotten
And completely selfenclosed world!
RIGHT!!

LET'S
GO!!

Yeah!
Bandits?

This village used to be a supply distribution site, and was a very lively place.
However, some time ago, bandits started showing up at this village
At first, the villagers wanted to unite and get rid of them
But among the bandits, there is someone capable of controlling large boulders
And we are no match for them
That's why all the villagers left?
Yes... Most of them left.
Now it's just my brother and I.

What is the reason that you guys remain here?
But...
What fools,
no matter how precious it might be, you might lose your lives protecting this house!
!
For the two of us that have lost everything, the home built among the debris,
is our irreplaceable, precious treasure.

Anyways, you guys should get out of here ASAP
What-ever...
It's none of my business anyway.
.....
SFX: BAM! (DOOR CLOSED)
What have you guys been doing standing there?
.....
Hey...

YOU INSULTED OUR FELLOW BROTHER, AND I'M HERE TO PAY HIM BACK YOUR FAVOR!
Quit fooling around!
Of course we're after you, didn't expect you to hide here.
YOU DARE TO THINK LITTLE OF US?
No I'm quite impressed.
Gimme a break
I didn't know you had such strong loyalty?
!?
WHAT ARE YOU LAUGHING AT?

Because with my personality I don't ever seek revenge for others!
!?

SHIT... WOMAN, YOU PLAY FOR REAL!
YOU THINK YOU CAN DEFEAT ALL OF US?
HOW WOULD YOU KNOW WITHOUT EVEN TRYING IT?
Oh please...
ACK!!

!!
AH BOSS!
.....
Hoho
So rare do we have visitors

DAMN IT!
SWOOSH
!?
What?
Couldn't it be..
BOULDERS?
WAHH!
Ah..

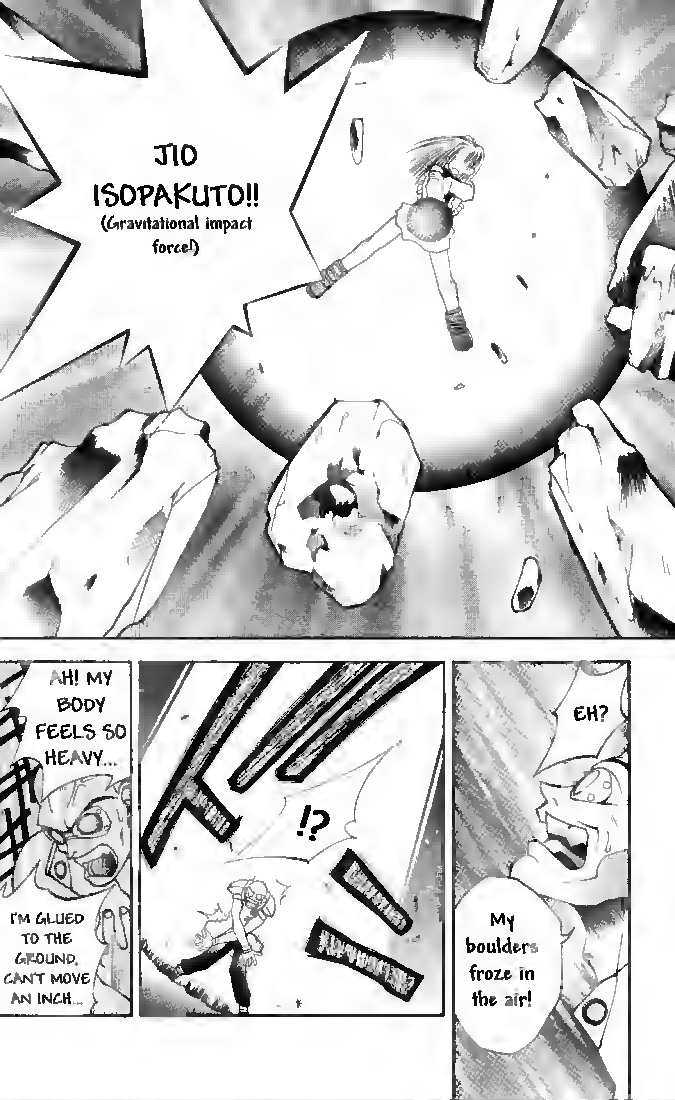
From hearing their descriptions, I thought they were pulling a prank.
I seriously didn't expect to see such a strong elemental user.
So.
You're the head of the bandits.
If I sold a special user such as you, I'd be rich
And you're using neither ice nor fire, but some invisible force to defeat your opponent, I am truly impressed
Hohoho ...
Soon enough you'll be on your knees begging!
!

HAHAHA! ARE YOU SCARED NOW? YOUR POWER IS USELESS TO A ROCK-USER LIKE ME!
GO FORTH... ROCK DEBRIS!
Not bad!

BWA-HAHA ...
LET'S TRY THAT AGAIN!
AH...
SIS!
Are you all right?

WAAAAH!
SFX: ゲハハハハ!
YOU'RE ANNOYING ME! I WILL WITHOUT YOU TELLING ME...
WHAT'S WRONG? HURRY UP AND SHOW ME YOUR ABILITIES!
ゲハハハハ
ビルディン
Even though I really don't want to use my special technique
Tsk! He really went overboard last time.

I'LL SHOW YOU NOW!
FOOL... MOVEMENTS IN THE AIR WILL BE LAGGED!!
GO FORTH... ROCK DEBRIS!
DON'T MAKE ME LAUGH, YOU'RE THE IDIOT!



JIO
ISOPAKUTO!!
(Gravitational impact force!)
AH! MY BODY FEELS SO HEAVY...
I'M GLUED TO THE GROUND, CAN'T MOVE AN INCH...
!?
EH?
My boulders froze in the air!

I've heard of a few people with this elemental power!
THIS ELE-MENT IS...
UWAAAA
A
A...
GRAVITY!
LET'S GET OUTTA HERE!
WAH! BOSS!
Sorry.
I really don't know how I should thank you ...

So I must thank you
"Thank you!"
It's all thanks to your defeat of the bandits that our village is safe!
No need,
I only did so to save myself...
But
Eh
No nothing
Do I have something on my face?
Using my power,
to protect others?
.....
Oh well,
A random act of kindness
It's really nothing ...

Doesn't seem bad at all...

Ginnosuke taught me a lot of things about the stars and the moon!
WHAT IS IT, RURI-SAMA?
Help!

CHELSEA!

.....
So I want to teach them to you too.
Sure!
Come on... how could the guard of the shrine priestess have such lack of knowledge?
